CV Henrik Schunk, VDMA Vice President

Henrik Schunk, born in 1972, studied Industrial Engineering at the Universities of Applied Sciences in Kaiserslautern and Dresden.

After earning his degree, Schunk joined SCHUNK GmbH & Co. KG (Lauffen/Neckar) as Managing Partner in 2002. Until being appointed as CEO in 2010, Schunk held various positions in the family company, including Managing Director of SCHUNK USA until 2005.

Today, he is responsible for sales and the SCHUNK Group's innovation management.

Schunk has committed himself to volunteering in VDMA as well as on a European association level for many years. From 2009 to 2012, he was a Member of the Board of VDMA Robotics + Automation and has been a Member of the Board of VDMA Integrated Assembly Solutions since 2009.

Since 2013, he has been a Member of the Main Board of VDMA. On a European level, he is active at EUnited Robotics, as the Chairman (from 2010 to 2016) and Vice Chairman since 2017.
