## Vorwort

Die Pandemie ist vorbei und das weltweite Messegesehen normalisiert sich. Die Pandemie hat zwar in der Messelandschaft Spuren hinterlassen, aber im Maschinenbau sind die Auswirkungen geringer, als zunächst befürchtet. Sowohl Aussteller als auch Besucher sind glücklich, sich auf Messen endlich wieder persönlich zu begegnen. Virtuelle Veranstaltungsformate haben nur geringen Einfluss auf das Messegesehen vor Ort, aber dienen der Reichweitenverlängerung vor und nach der eigentlichen Messe.

Auch in 2024 wird es noch letztmals Pandemiefolgen geben. Nach Absagen und Verschiebungen in den letzten Jahren müssen einzelne Messen neu aufeinander abgestimmt werden. Aber zumindest die Zeitpläne sind nahe an der „neuen Normalität“.

Nicht mehr auf die Pandemie zurückzuführen sind Verwerfungen im Auslandsmesseprogramm (AMP) des Bundesministeriums für Wirtschaft und Klimaschutz (BMWK). Eine politische Neuausrichtung und Sparmaßnahmen rund um Messen, begleitet von erheblichen Kostensteigerungen weltweit, haben Spuren hinterlassen.

## Preface

*The pandemic is over and the global trade fair business is returning to normal. The pandemic has left its mark on the trade fair landscape, but in the machinery and equipment sector the impact is less than initially feared. Both exhibitors and visitors are happy to finally meet in person again at trade shows. Virtual event formats have little impact on what happens at the trade show on site but serve to extend the reach before and after the actual exhibition.*

*In 2024 we will see some last disturbances caused by the pandemic. After cancellations and postponements in recent years, some fairs will have to be re-aligned. But at least the schedules are close to the “new normal”.*

*Turbulences in the German Pavilion Programme (AMP) of the Federal Ministry of Economic Affairs and Climate Action (BMWK) can no longer be attributed to the pandemic. A political realignment and cost-cutting measures around trade shows, accompanied by significant cost increases worldwide, have left their mark.*

Die Kürzung der Gesamtzahl der maschinenbau-relevanten Messen im Programm auf weniger als 57 ist aus Sicht des VDMA genauso bedauernswert wie die Senkung der Anzahl der Gemeinschaftsstände in China. Dies ist ein erheblicher Einschnitt verglichen mit den gut 90 Projekten, die für 2023 geplant waren. Trotzdem sind die verbleibenden Projekte natürlich eine wichtige Unterstützung für Unternehmen, Präsenz in den wichtigsten Exportregionen zu zeigen. Die Veranstaltungen des AMP sind im Folgenden entsprechend markiert.

Informationen über aktuelle Entwicklungen und Projekte im AMP und zu anderen wichtigen Messthemem erhalten Sie über die Newsletter der Fachverbände sowie auf unserer Internetseite ([www.vdma.org/messe](http://www.vdma.org/messe)).

Bei Fragen zu maschinenbaurelevanten Messen weltweit stehen Ihnen das Messereferat und Ihr Fachverband gerne zur Verfügung.

Mit freundlichen Grüßen

**Thilo Brodtmann**  
Hauptgeschäftsführer  
Chief Executive

*From the VDMA's point of view two aspects have to be emphasized and are regrettable: the reduction in the total number of trade fairs relevant to our industry in the programme to fewer than 57 and the hefty reduction of German Pavilions in China. This is a considerable cut from almost 90 projects that were planned for 2023. Nevertheless, the German Pavilions are of course an important support for companies to show presence in the most important export regions. The AMP events are marked accordingly below.*

*Information on current developments and projects in the German Pavilion Programme and on other important trade fair topics is available via the trade associations' newsletters and on our website ([www.vdma.org/trade-fair](http://www.vdma.org/trade-fair)).*

*If you have any questions about trade fairs relevant to mechanical engineering worldwide, please do not hesitate to contact the trade fair department or your trade association.*

Sincerely,

**Dr. Alexander Koldau**  
Leiter des Referates Messen und Symposien  
Head of the Trade Fairs and Symposia Department

## Wissenswertes zur Nutzung des Messekalenders

Dieser Messekalender soll interessierten Mitgliedsfirmen eine Planungs- und Entscheidungshilfe über das weltweite Messeangebot bieten. Die Daten des Messekalenders stellen keine Empfehlung zur Teilnahme oder zum Besuch einer Veranstaltung dar. Ebenso wenig kann ein Anspruch auf Vollständigkeit oder eine Gewähr für die Angaben übernommen werden.

Die Auswahl der geeigneten Veranstaltung bedarf einer sorgfältigen Prüfung. Das Referat Messen und Symposien sowie die Fachverbände des VDMA bieten interessierten Mitgliedsfirmen hierbei Hilfe und Unterstützung an. Der vorliegende Messekalender wurde in Abstimmung mit den im Auslandsmesse-Geschäft besonders aktiven Fachverbänden erstellt.

Er enthält maschinenbaurelevante Messen und Technologie-Symposien, die

- zu den Schwerpunktveranstaltungen der einzelnen Maschinenbau-Branchen weltweit zählen,
- etablierte Veranstaltungen des jeweiligen Marktes sind,
- (überwiegend) auf Antrag des VDMA eine Beteiligung des Bundes aufweisen

sowie Messen,

über die weitergehende Informationen vorliegen und die nach Ansicht des VDMA auf eine entsprechende Mindestgröße und Internationalität dieser Veranstaltung schließen lassen.

## Useful tips on using the trade fair calendar

*This trade fair calendar is intended to help interested member companies with planning and decision-making in relation to the range of trade fairs held worldwide. The information in the trade fair calendar should not be seen as a recommendation to take part in or attend an event – nor does it make any claim to completeness. No liability is accepted for the information provided.*

*Choosing a suitable event takes careful consideration. The Office for Trade Fairs and Symposia and the trade associations at VDMA provide help and support to interested member companies. This trade fair calendar has been compiled in consultation with the trade associations that are particularly active in the business of trade fairs abroad.*

*It contains mechanical engineering-related trade fairs and technology symposia*

- that are among the focus events of the individual segments of mechanical engineering worldwide,
- that are established events in the respective market,
- in which the Federal Government is involved (largely) on behalf of VDMA, and

*as well as trade fairs,*

*about which there is detailed information that, in the view of VDMA, indicates that the event has a sufficient minimum size and level of internationality.*

Der internationalen Ausrichtung des Messegeschäfts entsprechend, haben wir diese Ausgabe des Messekalender zweisprachig deutsch/englisch realisiert. An einzelnen Stellen waren Kompromisse nötig und wir hoffen, dass trotzdem alle Informationen ausreichend transparent sind.

Einige **VDMA-Fachverbände** verfügen über eigene Messekalender bzw. Messelisten, die sie den Mitgliedern ihres Fachbereiches anbieten. Es sind u. a. die Fachverbände:

- Baumaschinen und Baustoffanlagen
- Forum Prozesstechnik
- Holzbearbeitungsmaschinen
- Kunststoff- und Gummimaschinen
- Marine Equipment and Systems
- Metallurgie
- Mining
- Organic and Printed Electronics Association
- Textile Care, Fabric and Leather Technologies
- Textilmaschinen
- Verfahrenstechnische Maschinen und Apparate
- Werkzeugmaschinen und Fertigungssysteme

*In line with the international orientation of the trade fair business, we have realized this edition of the trade fair calendar in two languages German/English. Compromises were necessary in some places and we hope that nevertheless all information is sufficiently transparent.*

*Some **VDMA trade associations** have their own trade fair calendars or lists, which they offer to their members. These trade associations include the following:*

- *Construction-Equipment and Plant Engineering*
- *VDMA Process Technology Forum*
- *Woodworking Machinery*
- *Plastics and Rubber Machinery*
- *Marine Equipment and Systems*
- *Metallurgy*
- *Mining*
- *Organic and Printed Electronics Association*
- *Textile Care, Fabric and Leather Technologies*
- *Textile Machinery*
- *Process Plant and Equipment*
- *Machine Tools and Manufacturing Systems*

## Zeichenerklärung und Durchführungsgesellschaften *Legend and executing companies*

- G** = Offizieller Firmengemeinschaftsstand mit Informationsstand und Beteiligung des Bundesministerium für Wirtschaft und Klimaschutz (BMWK)  
*Official joint company booth with information booth and involvement of the Federal Ministry for Economic Affairs and Climate Action (BMWK)*
- I/IZ** = Offizieller Informationsstand / offizielles Informationszentrum des BMWK  
*Official information booth / official information center of the BMWK*
- VDMA** = Privatwirtschaftlich organisierte Gemeinschaftsbeteiligungen des VDMA. Für nähere Informationen kontaktieren Sie Ihren Fachverband oder das Messereferat.  
*Joint company involvement of VDMA, organized by private business. For more information, contact your trade association or the Trade Fairs and Symposia Office.*

## Auslandsmesse- Beteiligungen der Bundesländer 2024

Ergänzend zu den Auslandsmesse-Beteiligungen des Bundes bieten auch die Bundesländer exportinteressierten Firmen Unterstützung an. In die Auswahl dieser Fördermaßnahmen ist der VDMA über seine Landesverbände weitestgehend eingebunden. Voraussetzung für die Förderung ist, dass das Unternehmen seinen Sitz im entsprechenden Bundesland hat. Zunehmend werden Kooperationen zwischen mehreren Bundesländern praktiziert. Für weitere Nachfragen wenden Sie sich bitte an Ihren zuständigen **VDMA-Landesverband** oder an die nachstehend aufgeführten Kontaktadressen der einzelnen Bundesländer:

## Foreign trade fair participations by German states in 2024

*In addition to the Federal Government's involvement in trade fairs abroad, individual states also offer support for companies interested in exporting. VDMA is extensively involved in the selection of these funding measures through its state associations. To be eligible for funding, the company must be based in the federal state in question. Collaborations between multiple states are increasingly common. For further information, please contact the **VDMA state association** responsible for your location or use the contact addresses for the individual states as listed below:*

### Baden-Württemberg

**Kontaktstelle /
